

A Global Network of Marriage Coaches

Together Marriage Coach Training is a journey of transformation that will deeply impact your own marriage while also equipping you to help others. Have you ever wanted to partner together more deeply with your spouse, but found it too difficult? Do you see couples around you that lack intimacy and joy, but you don't know how to help them? This training will help to get you there!

This 6-month training runs from mid-September 2020 to February 2021. What you can expect to receive:

- 8 on-line classes
- 4 hours of personal coaching
- Peer sessions,
- Practise coaching while being supervised. Other components include practising a spiritual discipline together with your spouse, reading a marriage book, and a couple of peer sessions for encouragement and accountability.

After discipling and mentoring leaders for over 30 years in Canada, the Caribbean, Africa and Europe, we have become convinced that coaching is one of the most effective discipleship tools available. We also believe that marriage is the perfect context for spiritual transformation to take place. Because of this conviction, we have pioneered **Together**, a ministry to leadership couples. We are creating a global network of marriage coaches to come alongside missionaries and leaders, empowering them to bring God's Kingdom to their communities and nations.

One of our coaching graduates recently wrote us,

“Going through marriage coach training has made a huge difference in our relationship. We wondered if we were going to be one of those couples who has two separate lives. But now it's like a new season in our marriage, and coaching is something we are going to do together as a couple. David & Nancy have helped create a whole new phase for our marriage.”
